Sir,

COMMUNITY PROJECT..SOUTH KANARA..Rural Health & Sanitation--Supply of a radio set to Mudushedde T.B.Sanatorium--expenditure..Sanction..request.

Ref: Dt. Medl. Officer, S.K. Mangalore letter No. 9203/55 dated 4-7-1955 received with Collector's endt. No.14196/55 dt. 11-7-1955.
Resolution of the Project Advisory Committee dated 25-7-1955.

--

The District Medical Officer, South Kanara, Mangalore suggested that a radio set run on battery may be supplied to the Govt. T.B. Sanatorium at Mudushedde in Mangalore Taluk by the Community Project as the patients in the institution are completely cut off from the town life and have practicallly no facilities for any recreation as the institution is located in a baren hilly place . The Dt. Medical Officer's letter in the matter received with the Collector's endorsement No. 14196/55 dated 11-7-1955 was placed before the Project Advisory Committee at its meeting on 25--7--1955 and the Committee unanimously recommended the supply of a radio set from Community Project funds to the institution. It was, therefore, decided by the Collector in consultation with the District Medical Officer to present the radio set to the institution as a gift from the Community Project. The Guild of Service, Mangalore came forward to serve some delicacies to the patients at a function organised by the Collector. A radio set was supplied and installed at the T.B. Sanatorium on 10--9--1955. The radio set was purchased after obtaining competitive quotations. A Philips radio receiver set model No. BGA.335-B with 5 valves, 3 wave bands and plastic cabinet with magic eye tuning operated on "eveready" minimax No.758 radio battery pack was purchased at a cost of Rs.313-13-0 (radio set Rs.275/- plus battery Rs. 34/- plus S.T. Rs. 4-13-0). Besides the cost of the radio set, a sum of Rs. 18/- was spent for its installation at the T.B. Sanatorium. Thus, altogether a sum of Rs. 331-13-0 was spent for the purchase and supply of the radio set to the Sanatorium from the Community Project funds. The license has been obtained by the Dt. Medical Officer as the Superintendent of the Sanatorium.

This expenditure will be met out of the contingencies provided in the approved overall programme under "Rural Health and Sanitation". I, therefore, request that the Government may kindly be pleased to sanction an expenditure not exceeding Rs. (332/-) three hundred and thirty two only for the supply and installation of a radio set to the Govt. T.B. Sanatorium, Mudushedde in Mangalore Taluk (Block I) and also approve my action in having incurred the expenditure in anticipation of Govt. sanction.

Yours Faithfully,

Project Executive Officer. 16/9.
